Sunday School Today

God's Mighty Kids will be onto their next parable. This is the Parable of Talents. God has blessed everyone with something that they are good at. He hopes that we use this special talent to praise him. Let's see if you can find out what you are good at and how you can use it to the glory of God. *Tweens for God* are grappling with the question Who Do I Think Jesus Is? The lesson today is around the healing of a lame man on the Sabbath and the leaders having a difficult time with this being okay along with Jesus saying that he was God. Our lesson will show that Jesus was more than just a "nice guy." People now and then had to decide if he was God or he was someone just doing good.

Our conclusion should be easy from what we know the Bible to say, but lets get some proof so we can defend this when we need to.

Jesus & Me Class - We are meeting today. Come first for opening in the church to sing and pray and then we will be off to our class in the gym by 10:30.

Game Nite - Saturday, Feb 25th Luther Hall 7-9 pm

Join us for a fun evening of playing all sorts of games. Adults and kids will have fun together enjoying each others company. The cost is bringing a treat to share with tablemates as you play your games. If you have a favorite game, bring it. We will have plenty of board games and recreation games for everyone to enjoy. See Jan for further information. There is also info on the Family Ministries board in the narthex.
